

CALL FOR PARTICIPATION / PAPERS

23rd Annual Conference of the Alabama Association for Institutional Research (ALAIR)

March 30-31, 2009
Auburn/Opelika Marriott Hotel and
Conference Center at Grand National

The Alabama Association for Institutional Research (ALAIR) 2009 annual conference will be held in Auburn, Alabama on March 30th and 31st.

Your participation in the ALAIR Annual Conference is essential to ensure the success of the Conference. **You do not have to be an ALAIR member, or even an institutional researcher to submit a proposal.** Proposals in all areas of institutional research, assessment, policy analysis, planning, and related techniques are encouraged. Your participation can take the form of a paper, a presentation, or a tools and techniques session. **Proposals do not have to be related directly to the conference theme.**

- Papers and Presentations are formal sessions that present a scholarly approach or extended discussion of a technique of interest to conference participants. These sessions will be approximately 45 minutes in length (which includes the time for questions/answers).
- Tools and Techniques sessions are informal presentations of reports, analyses, techniques, software demonstrations, and the like. The presenter may develop a brief (3-5 minutes) presentation, but the value of this type of session is the opportunity to discuss the topic one-on-one, or in small groups.

Proposals are due by **Friday, March 6, 2008**. Information on how to submit your proposal appears below. If you have special equipment requirements, questions, or concerns, please contact Alicia Simmons by phone (256-782-8144), fax (256-782-8146), or E-mail: asimmons@jsu.edu.
